Offsuit Cards (left axis label)

You can call the all-in profitably:

- If you are in the **big blind,**
- **everyone before the small blind has folded,**
- the **small blind moved all-in,**
- **your effective stack (in big blinds) is smaller** than the number given in this table.

Note: *the maximum stack size considered is 50 big blinds.*

Calculations by Bill Chen and Jerrod Ankenman (Mathematics of Poker)
